There are thousands of 'Indian' restaurants in the UK, many run by Bangladeshi expatriates serving traditional 'Curry'. However, that word is almost as misleading as the term 'Chop Suey' was to Chinese cuisine! We wish to correct that misconception, with a single minded vision of creating an exotic restaurant, delivering high quality cuisine, with some of our KAZ special dishes, having never been served in Cambridgeshire before.

10% OFF (ORDERS OVER £10) ALL TAKEAWAYS EVERY DAY
With attention to culinary detail, we are providing unique dishes prepared with fine ingredients including fresh natural spices, low cholesterol sunflower oil and the minimum of food colouring. Not only do KAZ provide delicious dishes, but we have realised the importance to our health conscious customers.
